## EXPERIENCE

### ➤ College Photoshop competition:

This Photoshop contest was conducted by our respective senior in which I was able to achieve 3rd position. It was a great experience which enhanced our photoshop skill to the next level.

### ➤ Tuitions classes for primary students:

My experience as a teacher(Guided) has made a tremendous impact on me. I too had a great learning experience, along with my students, which has made me a different person today. I have been doing private tuitions since 2 years. I started tutoring soon after I had finished my 12th standard board exams. This was only to earn my pocket money and be independent.

### ➤ Participated in science exhibition:

Made a hydraulic dozer using injection and pipes.
